Welcome to Grandview High School! We are gearing up for the 2018-2019 School Year, and this edition of The Gazette is intended to give you all the information you need to know to start the year efficiently and successfully. In the coming month, we will welcome back our staff of over 300 teachers and office professionals, and we will open the doors to over 2,800 students. We are ready to offer our students academic rigor, athletic excellence, artistic endeavors, and remarkable student life.

Grandview High School will be open to students from 7:30 a.m. until 4:00 p.m. with the school day running from 8:20 am until 3:30 pm. GHS Security Staff is on site Monday through Friday 7:15 a.m. to 7:00 p.m. throughout the school year (excluding most Cherry Creek School District holidays). Please help us get your students to school on time and ready to learn when the bell rings for first period at 8:20. If your student has breakfast with us, please know that beginning this year, breakfast will close at 8:15 in order for students to make it to class on time.

Students can be dropped off and picked up on both the north and south side major entrances; however, please refrain from using the handicap accessible parking spots in those areas for drop off or pick up.

We are excited to have you back, and for those of you just joining us, welcome to The Pack!

Please excuse absences within 48 hours of absence and utilize the new attendance line numbers. Excused absence means the student should be out of the building and off campus. Thank you for your support. Grandview High School is a closed campus during the school day for all 9th and 10th graders, which means freshmen and sophomores may not leave campus during the school day without proper parent/guardian notification. As an exception, those sophomores with a valid driver's license and GHS Parking Permit (which means they are in good standing with their academics, behavior, and attendance) may come and go during the school day as their schedule allows.

ATTENDANCE LINE

Grandview has assigned the following phone numbers for the Attendance Line:

Just a friendly reminder that there is **NO PARKING** in the handicap accessible spaces. This also applies to sitting in your car while it is idling. We understand that although this is more convenient, it does cause a burden to those who rely on the handicap parking. Thank you for your cooperation with this important matter.

Parents, please be mindful of parking across the street near the Fitness 19. That parking lot is reserved for the customers of those businesses, and they see increased activity with parents parking there after school to get their kids. It is also a safety issue to have our students crossing the street to get there. We know the parking lot gets congested at the end of the school day, but it is usually cleared out 15 minutes after the school day ends. Thank you for your help.
